

Stepping Stones Opportunity Group
The District Specialist Centre

Mission Statement for Stepping Stones

The Management Committee is responsible for our admission policy and its annual review.

1. To foster a relationship of mutual support and co-operation between parents and staff and other professionals and so to build a sense of partnership in the provision of the health care and education for children with special needs.
2. To provide a support and information service for the parents and carers of children with special needs wherein children and their families can develop confidence in themselves and others.
3. To provide a centre for children with Special needs where visiting professionals liaise with staff and parents to support the family and to offer therapy, support and advice in order to develop the children's full potential.
4. To foster and encourage relationships between Stepping Stones and other settings to facilitate the inclusion of special needs children within their home locality.
5. In compliance with its aims and principals, to be opposed to all forms of discrimination and to be committed to ensuring that all services are equally available to all children and their families.
