

STEPPING STONES 100 CLUB 2021/2022

The 100 Club is a very important part of our fundraising activities and we would like to thank everybody who has joined in. Running the club in 2019/2020 raised just under £200 for Stepping Stones and we could raise even more if more people joined.

Please help us to get 100 members this year!

We will be making the first draw of the new club at the end of April. In order to do this we need to start recruiting as many people as possible NOW....

The cost of joining is **£12** per year, **that's only £1 a month!!** This gives you one number in the draw and 12 separate monthly chances of winning a cash prize. The number of members determines the prize fund, so the more members the more you could WIN!! The club is open to **everyone** so please ask all your friends, family, and neighbours to join in the fun, you can also apply for as many numbers as you like for more chances of winning!!

If you would like to join please complete the slip below and return it together with your payment to **Sarah Cottle** in the office. Extra forms are available upon request...
